Course Description:

The main purpose of this course is to introduce Korean to students with no prior knowledge in Korean language. This course will offer you opportunities to lay groundwork for the study of Korean language and culture. The course focuses on all four communication skills; speaking, listening, writing and reading. At the end of the course, students will be able to communicate in daily situation in Korean and talk about themselves and their immediate surroundings.

Learning Goals:

Successful completion of the course fulfills the following Asian Languages and Cultures Departmental Learning Goals for Korean majors and minors:

- *Majors* in Korean will acquire in-depth knowledge of the Korean language as well as the literature and culture of Korea. Majors will be able to demonstrate oral, reading, and written proficiency in the language and develop critical skills in analyzing and interpreting literary, historical, and cultural texts. Students will acquire the literary, cultural and linguistic competency necessary for continuing onto post-graduate study or employment requiring such cultural knowledge and/or linguistic skill. Students will learn the cultural heritage of Korea within the larger context of East Asia through a wide and coherent curriculum, which includes courses in the following humanities and social science disciplines: literature, visual culture, history, religion, language and linguistics.
- *Minors* will be introduced to the cultural heritage of Korea through courses on literature, history, civilization, language and linguistics. Minors will be able to communicate effectively (listening, speaking, and writing) in Korean and will learn critical skills in analyzing and interpreting historical and cultural materials appropriate to the student's area of specialization. Students will achieve advanced linguistic competency and be able to demonstrate practical skills in using Korean for translation and interpretation. Students will be able to relate relevant issues to other areas in the humanities.

	Quizzes	15 % (Lesson quizzes)
	Assignments	18 % (Workbook, Vocabulary exercise, Others)
	Oral Tasks	15 % (Presentation, Skit, Interview)
	Readiness	10 % (Active participation, Attendance, Pop-quiz)

Course Requirements and Grading Policy:

(1) Readiness (10%):

- You are expected to attend every class and arrive on time. Poor attendance, frequent lateness and early departure will affect your grade.
- **Being tardy to class or leaving class early three times will count as an absence.** Missing a class for more than 40 minutes will be also considered one absence.
- If your **absences exceed 2 classes (3 and more absences)**, it will **negatively affect your grade** (-1.2 points/each absence) and you will **not receive an A** regardless of your semester scores. **If your absences exceed 6 classes (7 and more absences), you may fail the course.**
- You may not leave the classroom during class without the instructor's permission.
- Use of digital devices will also cause deduction in readiness scores without warning. Digital devices must be turned off and put away during class.
- **Pop-quiz** on vocabulary may be given to class to check their readiness. These quizzes will be given at the very beginning of each class and there will be absolutely **NO make-ups** for the quiz.
- It is **YOUR** responsibility to keep up with what you have missed for absences.

(2) Assignments (18%):

- You should have done homework assignments **before** class to participate fully in the classroom activities.
- **Online Vocab Exercise:** You are required to watch a lecture video on target vocabulary for each lesson and complete the given online exercise. You are expected to fully learn the vocabularies through the assignments.
- **Workbook HW:** Workbook HW should be submitted according to the course schedule (subject to change). Each HW should be re-submitted after correcting the errors marked by the instructor during the first submission. This re-do submission is due by the day indicated on the schedule.
- **Others:** They are listed on the tentative schedule, but extra assignments may be given occasionally apart from the ones listed on the schedule.
- Those submitted later but before the next class starts will earn 80% of the credit. Those submitted on the following class will earn 70% of the credit. Those submitted after the following class but before re-do submission due date will earn 50% of the credit. Any assignments submitted after that will not be accepted. (If you cannot submit your homework because of your absence, you may submit it at the beginning of the next class with full credit.)

(3) Quizzes (15%) and Exams (42%):

- There will be one lesson quiz for each lesson.
- There will be **NO** make-up for a missed quiz. Missing a quiz is the equivalent of a zero (0). If you plan to miss the class on the day of quizzes, you may take the quiz in advance with instructor's permission. For missed midterms, you will be allowed for a make-up with only 80% of what you make.
